

USA PowerFloat REPAIR PROCEDURES

USA Authorized repair facility:

PowerFloat Inc.
10585 Quarter Horse Lane
Melba, ID
83641

Repair Tech: Terry Logan
Repair Facility: (208)-495-7328 or Cell Phone: (208)-870-3991

1. Ship to facility above.
2. Ship the PowerFloat in the carrying case or contained in a protective box. Remove all accessories from the case. If not shipping in the carrying case, make sure to use a rigid box with flaps intact, adequate cushioning material and strong tape designed for shipping. PowerFloat will not be responsible for damaged cases due to shipping.
3. Complete the **Repair Authorization Form**.
 - Email to: info@powerfloat.net **or** fax (403) 984-7702
 - Include one copy in the case with your PowerFloat
 - Retain one copy for your records
4. You will be contacted with a quote prior to all repairs being completed. Customers are responsible for all shipping costs. We accept Visa, MasterCard and Discover Credit Cards.
***PowerFloats will be returned to you upon receipt of payment.**

Please direct all questions or concerns regarding the repairs to Terry Logan at 208-870-3991.
