PowerLite REPAIR PROCEDURES

In the event that your PowerLite is damaged or is not operating properly you will need to send it in to PowerFloat for repair at:

PowerFloat Inc.
112, 7865 – 56th Street SE
Calgary, Alberta T2C 5S7
1-877-969-2233

1. Please package your PowerLite with bubble wrap in a box to protect against any damages during shipping. Do not include batteries or charger.
Please note: PowerFloat will not be responsible for damages due to shipping.
2. Complete the **Return Authorization Form** and make two (2) copies.
 - Email to : info@powerfloat.net or fax to 403-984-7702
 - Include one copy in the box with your PowerLite
 - Retain one copy for your records
3. Fill in the highlighted areas of the **Commercial Invoice** we provide and attach to the outside of the box. This form documents that the product is being sent to Canada for repair and then will be returned back to the US.
4. Customers are responsible for all shipping costs. Please retain copies of all tracking numbers for your records. Please ship your PowerLite by courier if possible. If you do not have an account with a courier company, please notify the PowerFloat office and we will make arrangements for your return shipping.
*** If you ship via the US postal service make sure you get a tracking number.*
5. A quote of repair costs will be provided prior to all repairs being completed.
6. Please direct any questions or concerns regarding the repairs to the PowerFloat office at 1-877-969-2233.
